## Workforce Onboarding and Termination Checklist & Audit

---

This form is to be used each time an employee is hired or terminated.

It should be used to periodically audit the onboarding and termination process and to help with the management of workers' access to ePHI.

The following items will be completed/reviewed for a potential/new employee:

- Written application
- Confirm education and/or professional credentials, if required for role
- Review of prior employment history
- Citizenship or resident alien status
- Criminal record check, if required by law
- Financial record check, if required by law or appropriate for role
- Interview
- Reference Check
- Other (e.g., OIG exclusion list): \_\_\_\_\_

The following items will be completed when employment ends. If employee will be terminated, deactivate access prior to notification.

- Deactivate access to network and systems with ePHI
- Deactivate and remove info from BYOD and remote access (if applicable)
- Deactivate work email address
- Deactivate any access/alarm codes to the physical building or restricted areas
- Obtain any keys to physical building and/or restricted areas
- Obtain badges allowing entry to physical building and/or restricted areas
- Retrieve any company owned items
  - Laptop
  - Tablet
  - Smart phone
  - Credit card(s)

Workforce Onboarding and Termination Audit & Checklist

| EMPLOYEE NAME: _____<br>TASK  | DATE<br>OR<br>N/A  | MANAGER,<br>SUPERVISOR OR<br>DESIGNEE INITIALS | COMMENTS |
|---|--|--|----------|
| <b>ACCESS AND EQUIPMENT</b>   |  |  |          |
| A unique user-ID and password is assigned for network access  |  |  |          |
| Depending on job responsibilities, a unique user-ID and password is assigned to each program with ePHI (see <i>Access Needed by Function</i> in the <i>Security Plan</i> )  |  |  |          |
| Email address assigned and account activated (if separate from network access)  |  |  |          |
| Name badge provided   |  |  |          |
| Key/badge provided for building access  |  |  |          |
| Unique alarm code assigned  |  |  |          |
| Mobile equipment assigned (tablet, laptop, phone)   |  |  |          |
| Bring Your Own Device Policy signed   |  |  |          |
| Device security set up/verified by IT support   |  |  |          |
| Working From Home/Remote Access Policy reviewed/signed  |  |  |          |
| <b>TRAINING</b>   |  |  |          |
| Initial training provided – Access the TMC online training  |  |  |          |
| Specific items reviewed:<br><input type="checkbox"/> Chain of command<br><input type="checkbox"/> Name of Privacy/Security Officers<br><input type="checkbox"/> Sanctions Policy<br><input type="checkbox"/> Minimum necessary standard<br><input type="checkbox"/> Reasonable safeguards<br><input type="checkbox"/> Password requirements | <input type="checkbox"/> Changing passwords<br><input type="checkbox"/> Sharing passwords<br><input type="checkbox"/> Email communications<br><input type="checkbox"/> Voicemail usage<br><input type="checkbox"/> Internet access/Workstation Use<br><input type="checkbox"/> Social media and PHI<br><input type="checkbox"/> Reporting privacy or security issues |  |          |
| Any role related specifics (e.g., records release, incident response)   |  |  |          |
| <b>OTHER</b>  |  |  |          |
|   |  |  |          |
